TERMS AND CONDITIONS

TERMS: The terms of payment for animals, semen, and embryos purchased shall be cash or check on sale day payable to the Minnesota Brown Swiss Association in U.S. funds unless other arrangements have been previously made with the consignor and the sale management. Payment shall be made to the clerk of the sale and release of animals will only be given when satisfactory settlement has been made by the buyer. The guarantees listed below shall be offered by the seller only after payment terms have been met by the purchaser.

BIDS: The person or company of persons offering the highest bid shall be the buyer. In case of dispute between bidders, the animal shall be put up for advance bids and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer accepted the final bid. Every animal catalogued is pledged to absolute sale, with the exception that an animal which has become sick or unfit to offer for sale may be withdrawn by the seller or sale management. By-bidding is prohibited. Every animal must be transferred to the new owner and may not be transferred back to the seller within one year, except at the discretion of the breed registry concerned.

RISK: All animals are held at the purchaser's risk and expense as soon as they have been struck off to the purchaser. However, care and feed will be furnished by the seller or sale management for 24 hours free of charge. Purchasers must make arrangements for care of their purchases if not removed within 24 hours following the sale. All animals are at the consignor's risk prior to selling in the event of fire or other mishap.

CERTIFICATES: Each animal which is catalogued, offered, and sold as registered shall be recorded in the Herdbook

of the Brown Swiss Cattle Breeders' Association of the U.S.A. The sale management shall be responsible that every animal sold be transferred within 30 days to the purchaser at the seller's expense, such transfer to be recorded on the Certificate of Registry by the Secretary of the Association. Any animal listed with a (W,) (M), (A), or (D) as a suffix to the name has been designated by the Brown Swiss Cattle Breeders' Association as a carrier of the Weaver, SMA, Spiderleg, or SDM Recessive Trait respectively.

SHIPPING: Assistance will be given by the sale management in loading and shipping animals, but the entire risk and expense shall be assumed by the purchaser. Until final shipping arrangements can be made, the best possible care will be given any purchase.

RESPONSIBILITY: In submitting the entries and in selling the animals listed in the sale, the consignor (seller) subscribes to the various regulations and warranties as set forth and assumes full responsibility for his cattle. Except as herein provided, the seller shall not be responsible for any damages beyond the selling price of the animal. The sale management acts as agent of the seller and shall only to the extent provided by law share the seller's responsibility,

but it shall endeavor to protect the interests of the buyer as well.

WARRANTIES:

- (1) The seller warrants clear title to the animal and right to sell the same.
- (2) Unless otherwise noted in the catalog or announced from the auction stand prior to the animal being struck off, each animal is sold as sound. All udder guarantees will cease when the cattle are loaded for removal from the barn.
- (3) Animals are guaranteed to be breeders in accordance with the following:
 - (A) FEMALES: Any female pregnant when sold or that has freshened within 60 days prior to the date of the sale is by that fact considered a breeder. Should any other female not pregnant when sold fail to become pregnant within six months of sale date, or if less than 15 months old when sold, by the time she reaches the age of 21 months, after having been bred to a bull known to be a breeder and after having been treated by a licensed veterinarian, the matter shall be reported in writing to the seller who shall have the privilege of six months time in which to prove the animal a breeder before refunding the purchase price. The seller makes no warranty that pregnant cows will deliver normal or full-term calves.
- (4) Above warranties cease when the animal is disposed of by the original purchaser.
- (5) Transportation charges on all animals on which an adjustment is being made shall be paid by the shipper.
- (6) The Breeding Warranty is eliminated if a female is flushed or super-ovulated following the sale.

HEALTH CERTIFICATES: Each animal shall be accompanied by an official health certificate approved by the Livestock Sanitary Official of the State of Origin and shall have fulfilled the requirements of the Division of Animal Health in the state in which the cattle are being sold. Every effort will be made, however, for the seller of each animal to have met the health requirements of all possible states of destination. Each animal so required will have passed the negative

test for Tuberculosis and Brucellosis. Results of any future health tests are not guaranteed.

PERMITS: Before shipping cattle into some states, it is necessary to obtain a permit from the Livestock Sanitary Official of the state into which the cattle are to be shipped, and since no charge is usually made for a permit, it may expedite the shipping of cattle if intended purchasers secure their permits before the sale.

ERRORS: If any errors or omissions are noted in the catalog or advertising, announcement of such errors shall be made from the auction stand just prior to the sale of the animals, and such announcement shall take precedence over the printed matter in the catalog or advertising. Neither the editors of the catalog, the sale management, nor the consignors can assume any responsibility for any errors or omissions in the catalog.

ACCIDENTS: The sale management, auctioneer, and sellers disclaim any liability in the event of personal accident or property loss to anyone resulting from the behavior of the animals or from the condition of the sale premises.

RECORDS: Records marked with an asterisk (*) are not on file with BSCBA and have been supplied by the owner. Only official DHIA or DHIR records are used.
