# A Message from Kentucky Agriculture Commissioner Ryan Quarles

Dear friends,

Welcome to the **60th Annual Kentucky National Dairy Show and Sale**. Every year, buyers and sellers come here to show, exchange, and promote leading cattle genetics in the country.

America's dairy industry has experienced a string of unusual years. Even prior to the pandemic, dairy producers were facing some hard times. The pandemic did a number on the supply and demand structure of our milk marketing system, which even into 2021 continued to hurt small dairy farmers across the commonwealth and around the nation.

Despite the issues, the dairy industry may be experiencing a bit of a bounce back. The domestic demand for dairy has been good, with an increase in per capita consumption of all products.

Export demand has also been strong for dairy categories, with skim and whey exports showing the most growth. While the value of the dollar has been strengthening, inflation is the big unknown. But dairy producers have always been a flexible group, able to adjust to market fluctuations.

With all the unknown this year has already shown us, it's good to be able to gather for the National Dairy Show and Sale. This event provides a unique opportunity to celebrate what is best about the dairy industry, made up of some of the hardest working people in agriculture.

Please know the Kentucky Department of Agriculture (KDA) is playing a central role in the execution of this event and we are here to help. Our Office of State Veterinarian, led by our state veterinarian Dr. Katie Flynn, is checking the health papers of every animal that enters the grounds and KDA's Office of Show and Fairs, led by Chris Caudill, helps conduct the shows and sales.

We encourage you, while in Louisville, to visit any of the dozens of restaurants that help make Louisville a well-known destination for local cuisine and bourbon tourism. Be on the lookout for the Kentucky Proud symbol on menus and products throughout the area to know that they are sourced from Kentucky farms and agribusinesses.

We expect another successful sale this year that will continue to solidify this Kentucky event as a leading showcase of prime dairy cattle. If we can do anything to make your attendance more comfortable or successful, please ask me or my staff. Again, welcome, and best wishes.

Sincerely,

Dr. Ryan F. Quarles  
Commissioner of Agriculture  
Commonwealth of Kentucky

# TERMS AND CONDITIONS

**TERMS:** The terms are cash or check on sale day payable to Fairdale Farms LLC in U.S. funds unless other arrangements are made with the consignor prior to the sale. All payments must be made to the clerk of the sale and no release of animals will be given until satisfactory settlement has been made. The guarantees listed below shall be offered by the seller only after payment terms have been met by the purchaser.

**BIDS:** The highest bidder shall be the buyer. In case of dispute, the animals shall again be put up for advance bids and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer accepted the last bid. Every animal is pledged to absolute sale and by-bidding is prohibited. Every animal must be transferred to the new owner and may not be transferred back to the seller, except at the discretion of the recording society concerned.

**EXPORT TRANSACTIONS:** Prospective buyers or agents must make satisfactory agreement regarding health tests and requirements with the consignor and/or sale's management prior to the sale. Failure to do so shall make the buyer responsible for all health tests. Any special terms of payment must be cleared with the sale's management prior to the sale.

**RISK:** All animals are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a reasonable length of time. Purchasers must make arrangements for care of their purchases if not removed within 24 hours following the sale. Shipping assistance will be given; however, no risk on loss is assumed by the sale's management. Separate agreement must be approved on export cattle. All animals are at the consignor's risk prior to selling (including during handling or transportation) in the event of fire or other mishap. All semen sold shall immediately become the buyer's property and risk as soon as struck off.

**CERTIFICATES OF REGISTRY AND TRANSFER:** Each animal which is cataloged, offered, and sold as registered shall be recorded in the Herdbook of the Brown Swiss Cattle Breeders' Association of the U.S.A. The sale management shall be responsible that every animal be transferred within 30 days to the purchaser at the seller's expense, such transfer to be recorded on the Certificate of Registry by the Secretary of the Association. The following suffixes have been added to the names of animals designated by the Brown Swiss Cattle Breeders' Association of the U.S.A. as abnormality carriers or non-carriers as may apply. (W); (M), (D), (A); - known Weaver, SMA, SDM, or Spiderleg carrier determined by identification of affected offspring. (CW); (CM), (CD), (CA); - a confirmed Weaver, SMA, SDM, or Spiderleg animal through diagnosis by an approved laboratory. (W\*); (M\*), (D\*), (A\*) - Weaver, SMA, SDM, or Spiderleg carrier determined by DNA testing at a confidence level of 90% or above. \*TW; \*TM; \*TD, \*TA - Weaver, SMA, SDM, or Spiderleg non-carrier determined by DNA testing at a confidence level of 90% or above.

**SHIPPING:** Assistance will be given in loading and shipping animals, but no risk is assumed by the sale's management or seller.

## WARRANTIES:

- (1) The seller warrants clear title to the animal and right to sell the same.
- (2) Unless otherwise noted in the catalog or announced from the auction stand, each animal is sold as sound. All udder guarantees will cease when the cattle are loaded for removal from the barn.
- (3) **BULLS:** Are sold as being able to serve and settle after reaching 14 months of age. The buyer is expected to provide reasonable care and feeding. Should the bull prove to be a non-breeder, the buyer shall notify the seller within four months after the bull reaches 14 months of age. The seller shall then have six months to prove the bull to be a breeder. In no case shall the seller be responsible for more than the selling price.

**FEMALES:** Any female pregnant when sold or that has freshened with 90 days prior to the date of the sale is by that fact considered a breeder. Should any other female not pregnant when sold fail to be come pregnant within six months of sale date, or if less than 15 months old when sold, by the time she reaches the age of 21 months, after having been bred to a bull known to be a breeder and after having been treated by a licensed veterinarian, the matter shall be reported in writing to the seller within two weeks of the aforementioned times. The seller will then have the privilege of six months time in which to prove the animal a breeder before refunding the purchase price. Females bred when sold are presumed to be pregnant, but pregnancy is not guaranteed. The seller makes no warranty that females announced safe in calf will deliver live calves, or that they will carry calves full term, nor does he guarantee that the calf carried will not be mummified. In no case shall the seller be responsible for more than the sale price of the animal.

(4) The buyer is hereby notified that all cattle are being sold as not warranted as being free of Johnnes disease except where noted.

(5) Above warranties cease when the animal is disposed of by the original purchaser.

(6) Transportation charges on all animals subject to adjustment shall be paid by shipper.

(6) The Breeding Warranty is eliminated if a female is flushed or super-ovulated following the sale.

**HEALTH CERTIFICATES:** Official health certificates will be provided to the purchaser of each animal. Results of any future health tests are not guaranteed.

**ERRORS:** The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced, such announcements to take precedence over the matter of print in this catalog. Neither the editors of the catalog, the sale's management nor the consignors can assume any responsibility for any errors or omissions in the catalog.

**ACCIDENTS:** The Sale Manager, auctioneers and owners are not in any way responsible for the condition of the grounds nor the behavior of the animals and disclaim any liability in the event of personal accident or property loss.
