

The New National Youth Ambassador

Hello everyone!
My name is Jonna Worden and I am the new Junior Ambassador. I'm thrilled at the idea of being able to represent an important part of my life — "The Big Brown Cow".

My parents, Dennis and Joan, brothers Noah and Jacob, and sister, Logan, milk 65 cows just north of Oelwein, Iowa.

I will be a sophomore this fall at Iowa State University and am double majoring in dairy science and agricultural communications. Upon graduation, I plan to obtain a position in the public relations area of the dairy industry.

I'm excited for the opportunity to meet more youth with interests in the Brown Swiss breed over the next year. If there's any way I can be of help to you, please contact me at (563) 608-0335 or jworden@iastate.edu.
