

All Americans 1980 - 1989

Each year the All American Program honors the top winners of that show season. The first All Americans were selected in 1965.

To be eligible for entry, the animal must have stood first or second at a qualifying state or regional show or first, second or third at a national show. Judging in the contest is done based on the photo of the animal and the placings at all All American qualifying shows. Nominations are made by the five national show judges. The All American, Reserve All American and Honorable Mention are selected by the judges of the year's All American qualifying shows.

Below are listed the changes to the contest through the years. Following are the winners by class from 1980-1989.

- 1965 All American Program began with seven female classes, Heifer Calf, Junior Yearling Heifer, Senior Yearling Heifer, Two Year Old, Three Year Old, Four Year Old, Aged Cow (Five and Over).
- 1968 Four male classes added, Bull, Two and Over, Senior Yearling Bull, Junior Yearling Bull, Bull Calf.
- 1971 Four group classes added, Junior Get of Sire, Best Three Females, Senior Get of Sire, Produce of Dam.
- 1975 One female class added, Junior Heifer Calf.
- 1978 Bull, Two and Over Class dropped and Junior Bull Calf Class added.
- 1979 Intermediate Calf Class added.
- 1983 Five Year Old Class added.
- 1987 Summer Yearling Class added. Junior Get of Sire Class dropped and replaced with Junior Best Three Females Class.
- 1990 Junior and Senior Bull Calf Class combined to Bull Calf Class. Senior Yearling Heifer Class split into Winter Yearling Heifer and Fall Yearling Heifer Class. (Junior Yearling Class remained same age breakdown, but name changed to Spring Yearling Heifer Class.) Senior Get of Sire Class discontinued.

Grand Champion MI State Show

1986 - 1989

"Jewel" was first place dry aged cow and will be fresh in July. "Topaz", her 3 year old, took the honors as Grand Champion this year. "Garnet", Jewel's junior yearling, stood second in her class but we are expecting her to continue the pattern of this winning family.

Byrne Swiss Farm also received the 1990 Premier Exhibitor honors.

Did you know . . .

The Association was formed on September 8, 1880 at the home of David Aldrich in Worcester, Massachusetts. It remained headquartered in New England or New York until 1911. When Ira Inman become the Secretary-Treasurer of the Association, he moved the headquarters to his basement on his farm in Beloit, Wisconsin.

From there it moved to second story office buildings in downtown Beloit and finally to its present headquarters in May of 1937. The present building was purchased for \$3500 in 1936.
