

## GENETIC HONOR HERDS - 2022

Congratulations to the herds listed below who have qualified as "Genetic Honors Herds" for 2022.  
 These herds are recognized for ranking in the top 25% of all BSA/PTPR herds enrolled in 2022  
 based on herd average PTA protein of all cows which have calved in the past two years.  
 To be eligible, herds must have enrolled at least 10 cows in the BSA program.  
 There is no herd size grouping for the recognition. Listing is alphabetic by herdname.

| Herdname                      | Breeder Name                  | State | on 2021 |
|-------------------------------|-------------------------------|-------|---------|
