Welcome

The California Brown Swiss Association welcomes you to the 2023 National Brown Swiss Convention and Convention sale.

First, we would like to thank all the consignors for letting us select off their top shelves for consignments for the Sale. This group offers top cow families, the best of sires, outstanding production with All American recognitions in many of the consignments adding up to PROFIT for their new owners.

Next, we thank all the donors, both financially and also with products, who helped make this year's Convention and Sale possible.

And last, we thank the national Brown Swiss Association office for all their help and assistance to us for this year's Convention and Sale.

Whether you are in attendance or taking the Sale in on CowBuyer, if there is anything we can do to assist you in any way, please let us know.

Again, the Sale Management and the California Brown Swiss Association thank you for being a part of this year's National Brown Swiss Convention and Sale.

*Sincerely,
Sale Management

TERMS: Buyer is purchasing the right to control the next IVF session. Buyer is guaranteed IVF sessions until a minimum of 8 #1 or #2 IVF embryos are produced. Embryo grades are determined at the time of transfer if fresh embryos or at time of freezing if freezing is requested by buyer. Buyer keeps all resulting embryos from these controlled IVF sessions. Buyer is responsible for all costs of the aspiration and mating sire decisions.

IVF Sessions: Sessions offered in this sale must be performed by a certified IVF facility or practitioner that is agreeable to both Seller and Buyer. If after four IVF sessions the guarantee has not been fulfilled, the seller will remit to the Buyer a refund on a pro-rated price based on original sale price after eight #1 or #2 embryos to be transferred or frozen if requested by the Buyer. Example: Sale price \$40,000 on IVF session would equal \$5000 (sale price divided by 8) refund per embryo not produced in event all embryos are not produced. IVF flush histories available upon request.

Bring your Catalog to the Sale

TERMS AND CONDITIONS

TERMS: The terms are cash or check on sale day payable to Ken Melvold Sales & Service in U.S. funds unless other arrangements are made with the consignor prior to the sale. All payments must be made to the clerk of the sale and no release of animals will be given until satisfactory settlement has been made. The guarantees listed below shall be offered by the seller only after payment terms have been met by the purchaser.

BIDS: The highest bidder shall be the buyer. In case of dispute, the animal shall again be put up for advance bids and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer accepted the last bid. Every animal is pledged to absolute sale and by-bidding is prohibited. Every animal must be transferred to the new owner and may not be transferred back to the seller, except at the discretion of the recording society concerned.

EXPORT TRANSACTIONS: Prospective buyers or agents must make satisfactory agreement regarding health tests and requirements with the consignor and/or sale's management prior to the sale. Failure to do so shall make the buyer responsible for all health tests. Any special terms of payment must be cleared with the sale's management prior to the sale.

RISK: All animals are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a reasonable length of time. Purchasers must make arrangements for care of their purchases if not removed within 24 hours following the sale. Shipping assistance will be given; however, no risk on loss is assumed by the sale's management. Separate agreement must be approved on export cattle. All animals are at the consignor's risk prior to selling (including during handling or transportation) in the event of fire or other mishap. All semen sold shall immediately become the buyer's property and risk as soon as struck off.

CERTIFICATES: Each animal is recorded, or will be recorded, in the Herdbook of the Association. The certificate of registry with recorded transfer will be furnished by the seller to the purchaser. Any animal listed with (W), (M), or (A) as a suffix to the name has been designated by the Brown Swiss Cattle Breeders' Association of the U.S.A., as a Weaver, SMA, or Spiderleg Trait carrier, respectively.

SHIPPING: Assistance will be given in loading and shipping animals, but no risk is assumed by the sale's management or seller.

WARRANTIES:

- (1) The seller warrants clear title to the animal and right to sell the same.
- (2) Unless otherwise noted in the catalog or announced from the auction stand, each animal is sold as sound. All udder guarantees will cease when the cattle are loaded for removal from the barn.
- (3) **BULLS:** Are sold as being able to serve and settle after reaching 14 months of age. The buyer is expected to provide reasonable care and feeding. Should the bull prove to be a non-breeder, the buyer shall notify the seller within four months after the bull reaches 14 months of age. The seller shall then have six months to prove the bull to be a breeder. In no case shall the seller be responsible for more than the selling price.

FEMALES: Any female pregnant when sold or that has freshened within 90 days prior to the date of the sale is by that fact considered a breeder. Should any other female not pregnant when sold fail to become pregnant within six months of sale date, or if less than 15 months old when sold, by the time she reaches the age of 21 months, after having been bred to a bull known to be a breeder and after having been treated by a licensed veterinarian, the matter shall be reported in writing to the seller within two weeks of the aforementioned times. The seller will then have the privilege of six months time in which to prove the animal a breeder before refunding the purchase price. Females bred when sold are presumed to be pregnant, but pregnancy is not guaranteed. The seller makes no warranty that females announced safe in calf will deliver live calves, or that they will carry calves full term, nor does he guarantee that the calf carried will not be mummified. In no case shall the seller be responsible for more than the sale price of the animal.

- (4) The Buyer is hereby notified that all cattle are being sold as not warranted as being free of Johnes Disease excepted where noted.
- (5) Above warranties cease when the animal is disposed of by the original purchaser.
- (6) Transportation charges on all animals subject to adjustment shall be paid by shipper.
- (7) The Breeding Warranty is eliminated if a female is flushed or super-ovulated following the sale.

HEALTH CERTIFICATES: Official health certificates will be provided to the purchaser of each animal. Results of any future health tests are not guaranteed.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced, such announcements to take precedence over the matter of print in this catalog. Neither the editors of the catalog, the sale's management, nor the consignors can assume any responsibility for any errors or omissions in the catalog.

ACCIDENTS: The Sale Manager, auctioneers, and owners are not in any way responsible for the condition of the grounds nor the behavior of the animals, and disclaim any liability in the event of personal accident or property loss.

RECORDS: Records marked with an asterisk (*) are not on file with BSCBA and have been supplied by the owner. Records not on file do not appear on official pedigrees unless evidence of the records are submitted at the time of the pedigree request. Only official DHI records can be used.
