A Message from Kentucky Agriculture Commissioner Jonathan Shell

Dear friends,

Welcome to the 62nd Annual Kentucky National Dairy Show and Sale. Every year, buyers and sellers come here to show, exchange, and promote leading cattle genetics in the country.

America's dairy industry has experienced some challenging years. From a decrease in the number of dairy farms, to supply chain issues, and inflation, dairy farmers have had to rely on their own resiliency.

Last year saw a slight bump in numbers for dairy cattle with Jan. 1, 2023, being the first year-over-year increase since 1986. This year's numbers show a slight decrease, but the dairy industry remains a strong agricultural product. The domestic demand for dairy has been good, with an increase in per capita consumption of all products. Gross sales of products continue to increase, while export demand has been strong for dairy categories, with skim and whey exports showing the most growth. The industry may still face some unknowns, but dairy producers are a flexible group, able to adjust to market fluctuations.

As a farmer myself, I know firsthand the hard work and the rewards that go into the profession. It is that experience that forms my deep appreciation for farmers across Kentucky who make this their passion. Without your strength and resiliency, Kentucky would not have the great agricultural community that makes it stand out amongst other states.

In support of this industry, we are excited once again to gather for the National Dairy Show and Sale. This event provides a unique opportunity to celebrate what is best about the dairy industry.

Please know the Kentucky Department of Agriculture (KDA) is playing a central role in the execution of this event and we are here to help. Our Office of State Veterinarian checks the health papers of every animal that enters the grounds and KDA's Office of Show and Fairs helps conduct the shows and sales.

We encourage you, while in the area, to visit any of the dozens of restaurants that help make Louisville a well-known destination for local cuisine and bourbon tourism. Be on the lookout for the Kentucky Proud symbol on menus and products to know that they are sourced from Kentucky farms and agribusinesses.

We expect another successful sale this year that will continue to solidify this event as a leading showcase of prime dairy cattle. Again, welcome, and best wishes.

Sincerely,

A handwritten signature in cursive script that reads "Jonathan Shell".

Jonathan Shell
Commissioner of Agriculture
Commonwealth of Kentucky

Brown Swiss Association Programs

Youth Programs

Junior Membership - one-time fee through 21st year of age.

The Youth Production and Cheese Yield contests encourage youth to develop sound and profitable animals. Due March 31.

The Youth Achievement program provides recognition for youth in two age groups who develop productive cattle and positive leadership skills. Entries due March 31.

The Lease program's purpose is to introduce new youth to showing Brown Swiss. It will provide an opportunity for both non-farm youth and youth from farms with other dairy breeds to work with registered Brown Swiss. Due March 31.

The Ambassador program allows youth to develop speaking, organization, and public relations skills. Entries due March 31.

The Scholarship/Grant program's goal is to assist in the education of youth in the field of dairy and/or agriculture or in herd growth by youth ownership. Entries due March 31.

The Junior Bell Ringer contest provides opportunities for youth to compare animal type and conformation by recognizing outstanding Junior-owned or leased animals exhibited at junior shows. Entries due December 15.

Subscribe to the Brown Swiss Bulletin

The Brown Swiss Bulletin is the official monthly publication of the Brown Swiss Cattle Breeders' Association of the USA. Effective 2023, it will be published 10 times per year with the July/ August and October/November issues combined. All Subscriptions (1 or 3-year) end in December and renew in January. The Subscription Form can be found at: www.brownswissusa.com/Breed/BrownSwissBulletin or **call the national office at 608-365-4474.**

As a source of communication between the Association and the membership, The Bulletin features production, show and youth highlights, and keeps breeders informed of Association events. It is a key link in relaying information and updates from the national office and board of directors to the membership.

The Bulletin provides an excellent advertising opportunity due to its large circulation. It is distributed to Brown Swiss breeders, A.I. companies; other cattle breed organizations, universities and industry representatives both in the United States and internationally. Ad Rates can be found in the Bulletin or online.

Contact Dairy Agenda Today to place an ad in the Bulletin:

TERMS AND CONDITIONS

TERMS: The terms are cash or check on sale day payable to Fairdale Farms LLC in U.S. funds unless other arrangements are made with the consignor prior to the sale. All payments must be made to the clerk of the sale and no release of animals will be given until satisfactory settlement has been made. The guarantees listed below shall be offered by the seller only after payment terms have been met by the purchaser.

BIDS: The highest bidder shall be the buyer. In case of dispute, the animals shall again be put up for advance bids and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer accepted the last bid. Every animal is pledged to absolute sale and by-bidding is prohibited. Every animal must be transferred to the new owner and may not be transferred back to the seller, except at the discretion of the recording society concerned.

EXPORT TRANSACTIONS: Prospective buyers or agents must make satisfactory agreement regarding health tests and requirements with the consignor and/or sale's management prior to the sale. Failure to do so shall make the buyer responsible for all health tests. Any special terms of payment must be cleared with the sale's management prior to the sale.

RISK: All animals are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a reasonable length of time. Purchasers must make arrangements for care of their purchases if not removed within 24 hours following the sale. Shipping assistance will be given; however, no risk on loss is assumed by the sale's management. Separate agreement must be approved on export cattle. All animals are at the consignor's risk prior to selling (including during handling or transportation) in the event of fire or other mishap. All semen sold shall immediately become the buyer's property and risk as soon as struck off.

CERTIFICATES OF REGISTRY AND TRANSFER: Each animal which is cataloged, offered, and sold as registered shall be recorded in the Herdbook of the Brown Swiss Cattle Breeders' Association of the U.S.A. The sale management shall be responsible that every animal be transferred within 30 days to the purchaser at the seller's expense, such transfer to be recorded on the Certificate of Registry by the Secretary of the Association. The following suffixes have been added to the names of animals designated by the Brown Swiss Cattle Breeders' Association of the U.S.A. as abnormality carriers or non-carriers as may apply. (W); (M), (D), (A); - known Weaver, SMA, SDM, or Spiderleg carrier determined by identification of affected offspring. (CW); (CM), (CD), (CA); - a confirmed Weaver, SMA, SDM, or Spiderleg animal through diagnosis by an approved laboratory. (W*); (M*), (D*), (A*) - Weaver, SMA, SDM, or Spiderleg carrier determined by DNA testing at a confidence level of 90% or above. *TW; *TM; *TD, *TA - Weaver, SMA, SDM, or Spiderleg non-carrier determined by DNA testing at a confidence level of 90% or above.

SHIPPING: Assistance will be given in loading and shipping animals, but no risk is assumed by the sale's management or seller.

WARRANTIES:

- (1) The seller warrants clear title to the animal and right to sell the same.
- (2) Unless otherwise noted in the catalog or announced from the auction stand, each animal is sold as sound. All udder guarantees will cease when the cattle are loaded for removal from the barn.
- (3) **BULLS:** Are sold as being able to serve and settle after reaching 14 months of age. The buyer is expected to provide reasonable care and feeding. Should the bull prove to be a non-breeder, the buyer shall notify the seller within four months after the bull reaches 14 months of age. The seller shall then have six months to prove the bull to be a breeder. In no case shall the seller be responsible for more than the selling price.

FEMALES: Any female pregnant when sold or that has freshened with 90 days prior to the date of the sale is by that fact considered a breeder. Should any other female not pregnant when sold fail to be come pregnant within six months of sale date, or if less than 15 months old when sold, by the time she reaches the age of 21 months, after having been bred to a bull known to be a breeder and after having been treated by a licensed veterinarian, the matter shall be reported in writing to the seller within two weeks of the aforementioned times. The seller will then have the privilege of six months time in which to prove the animal a breeder before refunding the purchase price. Females bred when sold are presumed to be pregnant, but pregnancy is not guaranteed. The seller makes no warranty that females announced safe in calf will deliver live calves, or that they will carry calves full term, nor does he guarantee that the calf carried will not be mummified. In no case shall the seller be responsible for more than the sale price of the animal.

(4) The buyer is hereby notified that all cattle are being sold as not warranted as being free of Johnnes disease except where noted.

(5) Above warranties cease when the animal is disposed of by the original purchaser.

(6) Transportation charges on all animals subject to adjustment shall be paid by shipper.

(6) The Breeding Warranty is eliminated if a female is flushed or super-ovulated following the sale.

HEALTH CERTIFICATES: Official health certificates will be provided to the purchaser of each animal. Results of any future health tests are not guaranteed.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced, such announcements to take precedence over the matter of print in this catalog. Neither the editors of the catalog, the sale's management nor the consignors can assume any responsibility for any errors or omissions in the catalog.

ACCIDENTS: The Sale Manager, auctioneers and owners are not in any way responsible for the condition of the grounds nor the behavior of the animals and disclaim any liability in the event of
