

2019 PTPR Program Enrollment

A Balanced Program of BSCBA

The Program

To be included in PTPR, a breeder must enroll his entire registered Brown Swiss milking herd on official DHIR test (Renewed at the beginning of each calendar year). For dairies with mixed herds, registered Brown Swiss, RF, ID, IDR, and IE cattle may be enrolled in this program. A yearly fee is paid for each cow at the beginning of each testing year. There are no additional charges for cows added to the herd and no refunds for cows leaving the herd during the year. Fees will not be refunded to herds discontinuing PTPR during the year.

2019 PTPR APPLICATION

I hereby enroll my herd on the Production & Type Performance Registry. I understand it is renewable at the beginning of each calendar year. I agree to abide by all rules and regulations governing the DHIR testing program and BSCBA and its type classification program. I understand I am equally responsible to my DHIA directors, testing supervisor, and state DHIR supervising agency and will adhere to their rules and regulations.

**Note in order for BSCBA to receive 365d records, you must sign up for the 365-day option with your test center. I understand that classification scores are not official until published on pedigrees and BSCBA is not liable for any promotion of these scores in print or on social media (Facebook) and websites.*
