APPLICATION FOR ADULT MEMBERSHIP INSTRUCTIONS
BROWN SWISS CATTLE BREEDERS' ASSOCIATION OF THE U.S.A.
BELOIT, WISCONSIN

Who is Eligible - The Adult Membership of the Association shall be comprised of only such as are owners of and are trustworthy and careful breeders of registered Brown Swiss cattle and have paid a membership fee established by the Board of Directors. Adult Memberships may be provided to natural persons, corporations, partnerships, estates, trusts and any other legal entity or organized group of persons.

The Adult Membership Fee - \$25 annual or \$100 for a five-year Adult Membership.

How Long Does an Adult Membership Last?

- A. Adult Memberships in the name of an individual natural person shall be for **1 year or 5 years** or shall terminate upon the written request of such person.
- B. Adult Membership in the name of (1) a corporation; (2) a partnership; (3) a membership in a farm name or the name of a family, not a partnership or corporation; (4) an unincorporated non-profit, religious, fraternal, charitable or educational association and (5) estates and trusts, terminates upon dissolution, or on the 1-year or 5-year anniversary of such membership, or upon request, which ever shall first occur.
- C. Membership is not transferable.

Benefits of Adult Memberships:

- A. The Adult Membership has a voice in determining the programs and policies of the Association and in the election of Directors and Officers. Only Active adult members are eligible to vote on these matters. In order to remain an active member, you must register at least one animal since the beginning of the immediate past fiscal year or have at least one animal transferred to your ownership during this period.
- B. A member saves \$5 on each registration of animals under two years of age.

How to Apply for Adult Membership:

- A. Complete the application blank after reviewing the explanation and the procedure presented below.
 1. As membership rates for the registration of a Brown Swiss apply only to those animals shown to be owned in the exact same name as your application is made, be sure to apply for membership in the exact name in which your cattle are registered or have been transferred to your ownership. *For example:* If Mr. Doe has his cattle in the name of John B. Doe, he should apply for membership in the name of John B. Doe, *not* J.B. Doe or John B. Doe and Sons.
 2. If the cattle are registered in a name other than the one you desire for membership, it will be necessary to transfer those animals to the name in which you are applying. *For example:* Cattle in the herd are registered in the names of several members of the family - John B. Doe, Robert A. Doe (John's son) and John B. Doe and Son. If this family wishes to apply for membership in the name of John B. Doe and Sons or under a farm name such as Doe's Swiss Farm, then all cattle would have to be transferred to the desired name in order for membership rates to apply in registering all of the progeny. If six or more animals are involved and if these transfers are all made at the same time, a special estate or 'within the family' rate will apply.
 3. Parents with 4-H members may wish to check their state rules concerning the ownership of project animals for 4-H competition. Most states require 4-H animals to be in the name of the junior and this procedure is recommended. Boys and girls over eight years of age may apply for Junior Membership at a one-time fee of \$10 and register the offspring from their cows in their individual names/junior partnership at membership rates until the end of the year of their 21st birthday. Please use the Junior Membership application.
 4. Examples of types of Adult Membership:
 - a. Individual Person - John B. Doe
 - b. Farm or family – Doe's Swiss Farm or John B. Doe and Family (List owners of farm or members of family)
 - c. Partnership - Mr. and Mrs. John B. Doe or John B. Doe & Nivram L. Esurk
 - d. Corporation – Doe's Swiss Farm, Inc. (List officers with position held.)
 - e. Estate or Trust - Mary Roe Trust
- B. In the center of the application, sign exactly as you wish your adult membership issued in accordance with explanations under paragraphs 1, 2, 3 and 4 above. Give complete address, and if other than an individual adult membership, give the name of the person to be recognized as the voting member.
- C. Send the application with the appropriate fee to the Brown Swiss Association.

How Soon Will You Become an Adult Member: The applicant is entitled to membership rates on registrations as soon as the completed application and fee are received at the Brown Swiss Association office. Membership is issued one month after publication unless there are objections from any National Members.

National Junior Member to Adult Member: If a National Junior Member applies for Adult Membership before his/her 22nd birthday, the fee is \$10 for one transitional year or \$100 for five years. (*Transition Year Only*)
