A production winner from each national director district will be chosen based on deviation from the herd average. The cow with the highest deviation overall will be recognized as the National Youth Production Award winner.

## **Contest Rules**

Cow's Name

- Junior must have been 8 by January 1st of the current year, and not yet 22 by January 1st of the current year
- Own a registered or Step 2 IE Brown Swiss cow.
- The animal must be registered in the junior(s) name(s).
- Records must meet breed association standards (DHI or DHIR) and be completed during the calendar year. (305-day record completed between January 1 and December 31, 2022)
- A copy of the DHI testing sheet for the month of the 305-day record completion, and monthly herd average for that same month <u>must accompany</u> the entry.
- Records will be standardized to a 305-day ECM basis. **ECM=7.65\***(lbs protein) + **12.95\***(lbs fat) +**.327\***(lbs milk)
- Youth must return a biography form to be eligible.

Awards (presented at 2023 National Convention in Fresno, CA)

• District winners will receive a certificate and national winner will receive \$100 and a plaque.
