In case a herd is registered or bred in the names of different members of a family, residing on one farm or breeding establishment, and where the herd is one unit, all entries may be considered as a single exhibitor for all group classes. However, members of one family, where cattle are not housed as one unit, will not be considered as a single exhibitor.

The registration certificate showing the most recent date of activity will be considered official. Sale animal ownership will be that of the consignor. Registration certificates showing ownership must be available.

Animals owned in partnership may be shown in the name of the partnership only, except for “Family Unit” as defined above, under EXHIBITOR DEFINED. For example, if Exhibitor A and Exhibitor B own an animal in partnership and each owns animals individually, three (3) separate exhibitors exist.

Total Performance Winner

This class will recognize a cow on her TOTAL performance - milk production and show ring placing. Her total score will be determined by:

1. Placing in her respective class; and
2. Her highest, 305day Energy Corrected Milk (ECM) record; and
3. The total pounds of ECM produced per day over 24 months of age up through July 1, 2021. (Up-to-date production through July 1 as reported on the monthly DHI report should be supplied by exhibitor two weeks prior to show day.)

The requirements a cow must meet to qualify for the Total Performance class are as follows:

3. Possess at least one official DHI record in 305 days, of at least 20,000 lbs. milk, or 800 lbs. butterfat or 700 lbs. protein; and,
4. Place in the top 50% of her respective class (top five if less than ten in class); and
5. Diagnosed pregnant if last calving or embryo collection is more than 12 months prior to show date.

Official lifetime production records on all qualifying cows must be sent to and received by the National Brown Swiss office at least two weeks prior to show day so that records can be verified and production scores calculated. Records received after that will be accepted only with a \$50 late fee. The DHI sheet showing credits up through July 1 will be accepted to update lifetime records. It is the owner's responsibility to supply these records, including the July test sheet.

The Total Performance Award is presented at each National Show to the exhibitor whose cow had the highest score based on the above criteria. The winner at each show receives a banner.
